HABLA

DO YOU KNOW HABLA METHOD?

Our publishing house HABLA CON EÑE has been editing *Punto y Coma* through 14 years. Now is time for us to show you our new project for beginners and false beginners: HABLA.

HABLA is an intuitive and easy to use method for learning Spanish on-line. Levels A1, A2, B1 and B2 are now available with videos, audios, audios and interactive and correctible exercises.

If you are a teacher, [you could try it for free](#). Please, send us an e-mail to comercial@hablaconene.com or you can call us to our office in Madrid (Spain) **+34 917 653 897**

IF YOU TEACH ELE, YOU NEED HABLA

✓ **Do you have too little class time with your students and want them to learn more?** You will find innovative materials that help students complete their courses through independent study.

✓ **Teach and strengthen grammatical and practical contents in a fun and stimulating way** with our multi-part series *Spanish Sitcom*, featuring 100 didactic videos and more than 300 audios.

✓ **More than 750 self-correcting exercises.** Students correct their own exercises and repeat them until they answer 70% correctly.

✓ **Personalized monitoring of each student.** The teacher-tutor can see each student's progress, the number of hours dedicated to studying and the number of times needed to correctly complete each exercise, all without having to personally correct the exercises.

✓ **Encourages students by showing the vocabulary in a visually exciting way.** More than 100 mini HD videos and 700 illustrations and photos help students learn vocabulary.
